

November 2021

Dear Parents,

Our activities in the month of November will lead us to the celebration of Thanksgiving, which is a time for saying "Thank you" to God for all He has given us. We will be learning special "thank-you" Bible verses throughout the month. We appreciate the way many of you have helped your children learn the Bible verses and hope you continue. In our classrooms we will be talking about fruits and foods of the harvest. The decorations in our rooms will have a thanksgiving theme, and we will use the children's artwork to depict the season. We will continue work on our ABC's along with recognition and spelling of our names, and we will continue to work on numbers. Our day of creation this month is Day Three; God made the land, plants, and seeds. There will be talk, stories, and finger plays about Thanksgiving, Indians, turkeys, and more!

**Motto:** Happy with the life I lead, content cause I have all I need.

**Bible Verse:** Then God said, "Let the land produce vegetation..." (seeds, plants, trees, fruit, vegetables).  
Genesis 1:11
