

Dear Parents,

We are pleased to have your children with us this year! They are settling in nicely, learning rules, and experiencing the excitement of a new room and new toys. We are making friends and learning to share with one another.

Backpacks are working out well, too. The children feel "big", and it teaches them to be responsible. As most of our art projects are letter size or larger, the backpacks need to be the size we requested in our original letter. When they are too small, your child's art papers may get crumpled.

PLEASE LOOK IN THE BACKPACK EVERY DAY!

Our school curriculum is called "In the Beginning," based on the creation story in Genesis. Each month will have a different theme, and parts of instruction (art, music, science, etc.) will fit together under this theme. Each month, Bible verses will be given to correlate with the theme. We will talk about what God's character is like and man's responsibility to God. In September, our theme is Day 1 of Creation. The theme for this month is "Into His Marvelous Light". This month's unit studies will include reviewing shapes, colors, sight, and sound. We will also learn of God's power and how we should show obedience to God.

We suggest that good-byes be said quickly. Also, we are always happy to speak with you, but we need to refrain from long conversations at drop-off and pick-up times because this takes our attention away from the children. If you wish to schedule another time to talk, please do so.

Please remember, when signing your child in and out on the roll sheet to sign your first and last name - **DO NOT JUST INITIAL.**

Sincerely,
Miss Bonnie Michels
Miss Meredith Fullgraf
Miss Christine Harris

CDC WILL BE CLOSED MONDAY, SEPTEMBER 5th IN OBSERVANCE OF

Donuts With Dad will be Friday, September 30th at morning drop off

Please note that we meet in the sanctuary every:

Monday @ 8:45 for Good News Club

Thursday @ 8:45 for Music
