

March 2023

Dear Parents,

Our creation study this month is centered around Day 6, "God created animals". We will take this time to talk about dinosaurs, farm animals, zoo animals, insects and spiders.

Our Bible theme will be on God's love and tenderness, kindness and cheerfulness. Our slogan for the month is: *"Bring a Smile – Help Awhile!"* Please use it often with your child at home!

Please continue to look for letters and numbers on your drive to and from school. Also, continue to work with your child on writing his/her name the correct way with upper- and lower-case letters.

We thank you for the support you have given us as we share with your children all the wonderful things the Lord has created and blessed us with.
