

November 2021

Dear Parents,

We hope you enjoyed the Parents' Breakfast last week! We are so thankful so many of you were able to participate, and we hope it showed you that you are appreciated and that we are pleased that you have entrusted your child to our care.

November is a special month of the year. We will learn about Day 3 of creation when God made land, plants, trees, and seeds. We will talk about land, seas, rocks, minerals, seeds, plants, Pilgrims, and Native Americans. This month, our Bible stories will emphasize that God is good and gracious. Our talks and activities this month will lead us to the celebration of Thanksgiving, which is a time for saying "Thank You" to God for all He has given us. Our slogan for November is "My part? A thankful heart!"

The children are responding well to our slogans from September ("The Happy Way is to Obey") and October ("I will do right with all my might!). We stress that it is good to obey, and that God loves us . . . no matter what we do. We hope you will encourage your child to obey the first time they hear your voice, as we do at school.

Your friends and teachers,  
Miss Rebecca, Miss Bonnie, and Miss Katie
